

Student-Clients~

Please note that NOW is the time to check with your campus in order to inquire as to whether there are going to be unused, previously awarded scholarships on your campus for the upcoming semester that you can apply for now.

These awards come open each year generally due to scholarship students not returning to school the following semester for various reasons, including not making the required GPA to continue with their individual scholarship, etc.

Please check with the offices listed below on your respective campus to inquire about the **availability, application process, eligibility requirements** and **submission deadline** for these scholarships---as well as others that are available that may or may not be advertised for this school year or next for "Returning" or "On-Going" Students---and reply back to our Office with your findings **ASAP** so that appropriate advising and follow-up assistance can be planned for you.

**Please contact the following :**

- 1.) Office of Campus Scholarships & Financial Aid
- 2.) Office of the Dean/Student Services of the College of your major (current or future declared course of study)
- 3.) Office of Advising/Student Services of your Major department

Also, if you are living on campus and wish to try to save your housing fees, also inquire now with the **Office of Housing and Residential Life** on your campus about filling any vacant spots that have become available for R.A. (Resident Advisor) positions this semester of inquire now as to how to apply for future semesters.

Finally, now is also a good time to check with your **Campus Student Employment Office** as well as your individual college and major departments to see if they have part-time student positions available. While you will have to exchange work time for the money earned, if the positions can be aligned within your future career field, you will be obtaining resume-worthy experience, networking, & recommendations to use for future interviews in the marketplace while also earning money to help defray your current college expenses at the same time.

We look forward to receiving your replies as soon as you can provide them, so that we can utilize the information on your behalf to provide you with the most effective Custom Advising for your particular program.

Please always contact the Office as soon as you have any issue or question regarding your particular situation throughout your Service Term with us.

***We look forward to assisting you further !!***
